THOMAS R. TIZZIO
SENIOR VICE CHAIRMAN

June 8, 1998

To Our Insureds:

I am writing to call your attention to a situation that has the potential to cause unprecedented dislocation to businesses in the United States and throughout the world. As many of you know, thousands, perhaps millions, of computers and devices with embedded microchips record only the last two digits of a year. As a result, they may not be able to recognize that January 1, 2000 (or subsequent dates) comes *after* December 31, 1999. As soon as dates in the Year 2000 become relevant to the operation of products or business transactions - a process that has already begun-computers and microchips containing the "millennium bug" may produce erroneous calculations or cease to function, causing problems that can range from the merely inconvenient to the potentially disastrous. Inventory and accounting systems will be affected; so will credit-card validation, electronic data interchange, automated banking reports, pension benefit payments, drug distribution systems for pharmacies and hospitals, and mechanical systems operating everything from office building environmental controls and elevator banks to telephone switches and oil refineries. The cost of fixing the problem in the United States alone has been estimated at more than \$600 billion.

Whether the dislocation resulting from this "bug" will be crippling or merely extraordinarily expensive, we at AIG believe that any business that uses or is affected by computers -- in other words, every business in the country -- must respond immediately, proactively, and aggressively. Most Year 2000 problems *can* be averted, given sufficient foresight, resources, and will. Companies will be judged -- and, in some cases, will succeed or fail -- depending on how they address these issues.

At AIG, we have identified those of our systems that are subject to Year 2000 risk, and we are well on the way to ensuring that all of our systems will be Year 2000-compliant in time to prevent any significant disruption or dislocation in our business or in the services we provide to our insureds. We are also communicating with the third-party brokers, agents, and administrators with whom we deal to alert them to these issues and encourage them to take similar actions. Every process to address Year 2000 should include backup and contingency plans to ensure that any incidents that do occur have minimal impact on operations.

The principal purpose of this letter is to encourage you, in the strongest possible terms, to do what is necessary to ensure that you have the same degree of comfort about the operation of your business in the face of potential Year 2000 problems as we have about ours. The Year 2000 bug is, first and foremost, a business and technical problem that must be addressed on that basis. It cannot be too strongly emphasized that a company's most important response to the Year 2000 problem is to take all feasible steps to eliminate the problem on a *technical* basis--or, to the extent the problem cannot be eliminated, to minimize its impact. Resources must be assembled and managed; the board of directors should take an active and ongoing role in ensuring that management has identified, addressed, and resolved problems on a timely basis.

What, then, should your organization do? There is obviously no single general solution to a problem that will have as many different manifestations as there are addressees of this letter, but a few common sense guideposts may be helpful:

- If you have not yet evaluated your Year 2000 exposure, do it now. Assemble whatever resources are needed to get a handle on the scope of the problem at your organization *now*, so that remedial efforts can be started without further delay. Most public companies will already have started this process in response to SEC disclosure requirements, but *everyone* should take a good, hard look at their compliance efforts to ensure that nothing has been overlooked.
- Set priorities. What is critical and what merely important? What can be fixed and what should be junked?
- Be practical. Many "Year 2000 questionnaires" seem designed as much to transfer potential blame as to solve the problem. If there is a truly crucial third party -- your payroll services vendor, for example, or the sole supplier of an indispensable raw material -- don't just send a questionnaire. Instead, give serious consideration to direct testing and evaluation of the vendor or supplier's systems. If there is a crippling Year 2000 problem, a later breach of warranty claim against the supplier's trustee in bankruptcy will not provide you a great deal of comfort.
- Test, test, and then test some more. Expect and plan for the unexpected.

As I said at the outset of this letter, the potential for dislocation from Year 2000 problems is unprecedented. But so is the level of knowledge concerning the problem and the technical ability to solve it. I urge all of our insureds to address their Year 2000 issues promptly and aggressively.

AUTHORIZED REPRESENTATIVE

Commercial Umbrella Policy Form

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the **Named Insured** as defined in Insuring Agreement IV, Definitions. The words "we", "us" and "our" refer to the Company providing this insurance. The word "**Insured**" means any person or organization qualifying as such in Insuring Agreement IV, Definitions.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

Insuring Agreements

I. Coverage

We will pay on behalf of the **Insured** those sums in excess of the Retained Limit that the **Insured** becomes legally obligated to pay by reason of liability imposed by law or assumed by the **Insured** under an **Insured Contract** because of **Bodily Injury, Property Damage, Personal Injury or Advertising Injury** that takes place during the Policy Period and is caused by an **Occurrence** happening anywhere in the world. The amount we will pay for damages is limited as described in Insuring Agreement III, Limits of Insurance.

If we are prevented by law or statute from paying on behalf of the **Insured**, then we will, where permitted by law or statute, indemnify the **Insured** for those sums in excess of the Retained Limit.

II. Defense

A. We shall have the right and duty to defend any claim or **suit** seeking damages covered by the terms and conditions of this policy when:

1. The applicable Limits of Insurance of the underlying policies listed in the Schedule of Underlying Insurance and the Limits of Insurance of any other underlying insurance providing coverage to the **Insured** have been exhausted by payment of claims to which this policy applies; or
2. Damages are sought for **Bodily Injury, Property Damage, Personal Injury or Advertising Injury** covered by this policy but not covered by any underlying insurance listed in the Schedule of Underlying Insurance or any other underlying insurance providing coverage to the **Insured**.

B. When we assume the defense of any claim or suit:

1. We will defend any suit against the **Insured** seeking damages on account of **Bodily Injury, Property Damage, Personal Injury or Advertising Injury** even if such suit is groundless, false or fraudulent, but we have the right to investigate, defend and settle the claim as we deem expedient.
2. We will pay the following, to the extent that they are not included in the underlying policies listed in the Schedule of Underlying Insurance or in any other insurance providing coverage to the **Insured**:
 - a. premiums on bonds to release attachments for amounts not exceeding our Limits of Insurance, but we are not obligated to apply for or furnish any such bond;
 - b. premiums on appeal bonds required by law to appeal any claim or **suit** we defend, but we are not obligated to apply for or furnish any such bond;
 - c. all costs taxed against the **Insured** in any claim or **suit** we defend;

- d. pre-judgment interest awarded against the **Insured** on that part of the judgment we pay. If we make an offer to pay the applicable Limit of Insurance, we will not pay any pre-judgment interest based on that period of time after the offer;
- e. all interest that accrues after entry of judgment and before we have paid, offered to pay or deposited in court the part of the judgment that is within our applicable Limit of Insurance;
- f. the **Insured's** expenses incurred at our request.

We will not defend any **suit** or claim after our applicable Limits of Insurance have been exhausted by payment of judgments or settlements.

All expenses we incur in the defense of any **suit** or claim are in addition to our Limits of Insurance.

- C. In all other instances except A. above, we will not be obligated to assume charge of the investigation, settlement or defense of any claim made, **suit** brought or proceeding instituted against the **Insured**. We will, however, have the right and shall be given the opportunity to participate in the defense and trial of any claims, **suits** or proceedings relative to any **Occurrence** which, in our opinion, may create liability on our part under the terms of this policy. If we exercise such right, we will do so at our own expense.

III. Limits of Insurance

- A. The Limits of Insurance shown in Item 3 of the Declarations and the rules below state the most we will pay regardless of the number of:
 - 1. **Insureds**;
 - 2. Claims made or **suits** brought; or
 - 3. Persons or organizations making claims or bringing **suits**.
- B. The General Aggregate Limit is the most we will pay for all damages covered under Insuring Agreement I except:
 - 1. Damages included in the **Products-Completed Operations Hazard**; and
 - 2. Coverages included in the policies listed in the Schedule of Underlying Insurance to which no underlying aggregate limit applies.
- C. The Products-Completed Operations Aggregate Limit is the most we will pay for all damages included in the **Products-Completed Operations Hazard**.
- D. Subject to B. and C. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of damages covered under Insuring Agreement I because of all **Bodily Injury, Property Damage, Personal Injury** and **Advertising Injury** arising out of any one **Occurrence**.

If the applicable limits of insurance of the policies listed in the Schedule of Underlying Insurance or of other insurance providing coverage to the **Insured** are reduced or exhausted by payment of one or more claims that would be insured by our policy we will:

- 1. In the event of reduction, pay in excess of the reduced underlying limits of insurance; or
- 2. In the event of exhaustion of the underlying limits of insurance, continue in force as underlying insurance.

The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

E. Retained Limit

We will be liable only for that portion of damages in excess of the **Insured's** Retained Limit which is defined as the greater of either:

1. The total of the applicable limits of the underlying policies listed in the Schedule of Underlying Insurance and the applicable limits of any other underlying insurance providing coverage to the **Insured**; or
2. The amount stated in the Declarations as Self Insured Retention as a result of any one **Occurrence** not covered by the underlying policies listed in the Schedule of Underlying Insurance nor by any other underlying insurance providing coverage to the **Insured**;

and then up to an amount not exceeding the Each Occurrence Limit as stated in the Declarations.

IV. Definitions

A. Advertising Injury means injury arising solely out of your advertising activities as a result of one or more of the following offenses:

1. Oral or written publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services;
2. Oral or written publication of material that violates a person's right of privacy;
3. Misappropriation of advertising ideas or style of doing business; or
4. Infringement of copyright, title or slogan.

B. Auto means a land motor vehicle, trailer or semitrailer designed for travel on public roads, including any attached machinery or equipment. But **auto** does not include **mobile equipment**.

C. Bodily Injury means bodily injury, sickness, disability or disease. **Bodily Injury** shall also mean mental injury, mental anguish, humiliation, shock or death if directly resulting from bodily injury, sickness, disability or disease.

D. Impaired Property means tangible property, other than **Your Product** or **Your Work**, that cannot be used or is less useful because:

1. It incorporates **Your Product** or **Your Work** that is known or thought to be defective, deficient, inadequate or dangerous; or
2. You have failed to fulfill the terms of a contract or agreement;

if such property can be restored to use by:

1. The repair, replacement, adjustment or removal of **Your Product** or **Your Work**; or
2. Your fulfilling the terms of the contract or agreement.

E. Insured means each of the following, to the extent set forth:

1. The **Named Insured**, meaning:
 - a. any person or organization listed in Item 1 of the Declarations, and any company that is your subsidiary as of the effective date of this policy and any company you own or control as of the effective date of this policy; and
 - b. any organization newly acquired, controlled or formed by you during the policy period but only:

- 1) as respects **Occurrences** taking place after you acquire, take control or form such organization;
- 2) if such organization is included under the coverage provided by the policies listed in the Schedule of Underlying Insurance; and
- 3) if you give us prompt notice after you acquire, take control or form such organization.

We may make an additional premium charge for any additional organizations you acquire, form or take control of during the period of this policy.

2. If you are an individual, you and your spouse, but only with respect to the conduct of a business of which you are the sole owner.
3. If you are a partnership or joint venture, the partners or members and their spouses but only as respects the conduct of your business.

No person or organization is an **Insured** with respect to the conduct of any current or past partnership or joint venture that is not shown as a **Named Insured** in the Declarations.

4. Any person or organization, other than the **Named Insured**, included as an additional insured in the policies listed in the Schedule of Underlying Insurance but not for broader coverage than is available to such person or organization under such underlying policies.
5. Any of your partners, executive officers, directors, stockholders or employees but only while acting within their duties.

However, the coverage granted by this provision 5. does not apply to the ownership, maintenance, use, loading or unloading of any **autos**, aircraft or watercraft unless such coverage is included under the policies listed in the Schedule of Underlying Insurance and then for no broader coverage than is provided under such underlying policies.

6. Any person, other than one of your employees, or organization while acting as your real estate manager.
7. Any person, organization, trustee or estate to whom you are obligated by a written **Insured Contract** to provide insurance such as is afforded by this policy but only with respect to:

 - b. facilities owned or used by you.
8. Any person (other than your partners, executive officers, directors, stockholders or employees) or organization with respect to any **auto** owned by you, loaned to you or hired by you or on your behalf and used with your permission.

However, the coverage granted by this provision 8. does not apply to any person using an **auto** while working in a business that sells, services, repairs or parks **autos** unless you are in that business.

F. Insured Contract means any oral or written contract or agreement entered into by you and pertaining to your business under which you assume the tort liability of another party to pay for **Bodily Injury, Property Damage, Personal Injury** or **Advertising Injury** to a third person or organization. Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

G. Mobile Equipment means any of the following types of land vehicles, including any attached machinery or equipment:

1. Bulldozers, farm machinery, forklifts and other vehicles designed for use principally off public roads;
2. Vehicles maintained for use solely on or next to premises you own or rent;

3. Vehicles that travel on crawler treads;
4. Vehicles, whether self-propelled or not, maintained primarily to provide mobility to permanently mounted:
 - a. power cranes, shovels, loaders, diggers or drills; or
 - b. road construction or resurfacing equipment such as graders, scrapers or rollers;
5. Vehicles not described in 1., 2., 3., or 4. above that are not self-propelled and are maintained primarily to provide mobility to permanently attached equipment of the following types:
 - a. air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment; or
 - b. cherry pickers and similar devices used to raise or lower workers;
6. Vehicles not described in 1., 2., 3., or 4. above maintained primarily for purposes other than the transportation of persons or cargo.

However, self-propelled vehicles with the following types of permanently attached equipment are not **mobile equipment** but will be considered **autos**:

- a. equipment designed primarily for:
 - 1) snow removal;
 - 2) road maintenance, but not construction or resurfacing; or
 - 3) street cleaning;
- b. cherry pickers and similar devices mounted on automobile or truck chassis and used to raise or lower workers; and
- c. air compressors, pumps and generators, including spraying, welding, building cleaning, geophysical exploration, lighting and well servicing equipment.

H. Occurrence means:

1. As respects **Bodily Injury** or **Property Damage**, an accident, including continuous or repeated exposure to conditions, which results in **Bodily Injury** or **Property Damage** neither expected nor intended from the standpoint of the **Insured**. All such exposure to substantially the same general conditions shall be considered as arising out of one **Occurrence**;
2. As respects **Personal Injury**, an offense arising out of your business that results in **Personal Injury**. All damages that arise from the same or related injurious material or act shall be considered as arising out of one **Occurrence**, regardless of the frequency or repetition thereof, the number and kind of media used and the number of claimants; and
3. As respects **Advertising Injury**, an offense committed in the course of advertising your goods, products and services that results in **Advertising Injury**. All damages that arise from the same or related injurious material or act shall be considered as arising out of one **Occurrence**, regardless of the frequency or repetition thereof, the number and kind of media used and the number of claimants.

I. Personal Injury means injury other than **Bodily Injury** or **Advertising Injury** arising out of one or more of the following offenses:

1. False arrest, detention or imprisonment;
2. Malicious prosecution;
3. The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room, dwelling or premises that a person occupies by or on behalf of its owner, landlord or lessor;

4. Oral or written publication of material that slanders or libels a person or organization or disparages a person's or organization's goods, products or services; or
 5. Oral or written publication of material that violates a person's right of privacy.
- J. 1. Products-Completed Operations Hazard** includes all **Bodily Injury** and **Property Damage** occurring away from premises you own or rent and arising out of **Your Product** or **Your Work** except:
- a. products that are still in your physical possession; or
 - b. work that has not yet been completed or abandoned.
- 2. Your Work** will be deemed completed at the earliest of the following times:
- a. When all of the work called for in your contract has been completed.
 - b. When all of the work to be done at the site has been completed if your contract calls for work at more than one site.
 - c. When that part of the work done at a job site has been put to its intended use by any person or organization other than another contractor or subcontractor working on the same project.
- Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.
- 3.** This hazard does not include **Bodily Injury** or **Property Damage** arising out of:
- a. the transportation of property, unless the injury or damage arises out of a condition in or on a vehicle created by the loading or unloading of it;
 - b. the existence of tools, uninstalled equipment or abandoned or unused materials.
- K. Property Damage** means:
1. Physical injury to tangible property, including all resulting loss of use of that property. All such loss of use shall be deemed to occur at the time of the physical injury that caused it; or
 2. Loss of use of tangible property that is not physically injured. All such loss shall be deemed to occur at the time of the **Occurrence** that caused it.
- L. Suit** means a civil proceeding in which **Bodily Injury, Property Damage, Personal Injury** or **Advertising Injury** to which this insurance applies is alleged. **Suit** includes:
1. An arbitration proceeding in which such damages are claimed and to which you must submit or do submit with our consent; or
 2. Any other alternative dispute resolution proceeding in which such damages are claimed and to which you submit with our consent.
- M. Your Product** means:
1. Any goods or products, other than real property, manufactured, sold, handled, distributed or disposed of by:
 - a. you;

2. Containers (other than vehicles) materials, parts or equipment furnished in connection with such goods or products.

Your Product includes:

1. Warranties or representations made at any time with respect to the fitness, quality, durability, performance or use of **Your Product**; and
2. The providing of or failure to provide warnings or instructions.

Your Product does not include vending machines or other property rented to or located for the use of others but not sold.

B. Audit

We may audit and examine your books and records as they relate to this policy at any time during the period of this policy and for up to three years after the expiration or termination of this policy.

C. Bankruptcy or Insolvency

Your bankruptcy, insolvency or inability to pay or the bankruptcy, insolvency or inability to pay of any of your underlying insurers will not relieve us from the payment of any claim covered by this policy.

But under no circumstances will such bankruptcy, insolvency or inability to pay require us to drop down and replace the Retained Limit or assume any obligation within the Retained Limit area.

D. Cancellation

Notice to any agent or knowledge possessed by any agent or any other person will not effect a waiver or a change in any part of this policy. This policy can only be changed by a written endorsement that becomes a part of this policy and that is signed by one of our authorized representatives.

F. Duties In The Event Of An Occurrence, Claim Or Suit

1. You must see to it that we are notified as soon as practicable of an **Occurrence** which may result in a claim under this policy. To the extent possible, notice should include:
 - a. how, when and where the **Occurrence** took place;
 - b. the names and addresses of any injured persons and witnesses; and
 - c. the nature and location of any injury or damage arising out of the **Occurrence**.
2. If a claim is made or **suit** is brought against any **Insured** that is reasonably likely to involve this policy you must notify us in writing as soon as practicable.
3. You and any other involved **Insured** must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or **suit**;
 - b. authorize us to obtain records and other information;
 - c. cooperate with us in the investigation, settlement or defense of the claim or **suit**; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the **Insured** because of injury or damage to which this insurance may also apply.
4. No **Insureds** will, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

G. Inspection

We have the right, but are not obligated, to inspect your premises and operations at any time. Our inspections are not safety inspections. They relate only to the insurability of your premises and operations and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person or organization to provide for the health or safety of your employees or the public. We do not warrant that your premises or operations are safe or healthful or that they comply with laws, regulations, codes or standards.

H. Legal Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability.

I. Maintenance of Underlying Insurance

During the period of this policy, you agree:

1. To keep the policies listed in the Schedule of Underlying Insurance in full force and effect;

2. That any renewals or replacements of the policies listed in the Schedule of Underlying Insurance will not be more restrictive in coverage;
3. That the limits of insurance of the policies listed in the Schedule of Underlying Insurance shall not change except for any reduction or exhaustion of aggregate limits by payment of claims for **Occurrences** covered by this policy; and
4. That the terms, conditions and endorsements of the policies listed in the Schedule of Underlying Insurance will not materially change during the period of this policy.

If you fail to comply with these requirements, we will only be liable to the same extent that we would had you fully complied with these requirements.

J. Other Insurance

If other valid and collectible insurance applies to a loss that is also covered by this policy, this policy will apply excess of the other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

K. Premium

The first **Named Insured** designated in Item 1 of the Declarations shall be responsible for payment of all premiums when due.

The premium for this policy shall be computed on the basis set forth in Item 4 of the Declarations. At the beginning of the policy period, you must pay us the Advance Premium shown in Item 4 of the Declarations.

When this policy expires or if it is cancelled, we will compute the earned premium for the time this policy was in force. If this policy is subject to audit adjustment, the actual exposure basis will be used to compute the earned premium. If the earned premium is greater than the Advance Premium, you will promptly pay us the difference. If the earned premium is less than the Advance Premium, we will return the difference to you. But in any event we shall retain the Minimum Premium as shown in Item 4 of the Declarations for each twelve months of our policy period.

L. Prior Insurance

If a loss covered by this policy is also covered in whole or in part under any other excess policy issued to the **Insured** prior to the effective date of this policy, our Limits of Insurance as stated in Item 3 of the Declarations will be reduced by any amounts due the **Insured** under such prior insurance.

M. Separation of Insureds

Except with respect to our Limits of Insurance and any rights or duties specifically assigned to the first **Named Insured** designated in Item 1 of the Declarations, this insurance applies:

1. As if each **Named Insured** were the only **Named Insured**; and
2. Separately to each **Insured** against whom claim is made or **Suit** brought.

N. Subrogation

If any **Insured** has rights to recover all or part of any payment we have made under this policy, those rights are transferred to us. The **Insured** must do nothing after loss to impair these rights and must help us enforce them.

Any recoveries shall be applied as follows:

1. Any interests, including the **Insured**, that have paid an amount in excess of our payment under this policy will be reimbursed first;

2. We then will be reimbursed up to the amount we have paid; and
3. Lastly, any interests, including the **Insured**, over which our insurance is excess, are entitled to claim the residue.

Expenses incurred in the exercise of rights of recovery shall be apportioned between the interests, including the **Insured**, in the ratio of their respective recoveries as finally settled.

O. Transfer Of Your Rights And Duties

Your rights and duties under this policy may not be transferred without our written consent.

If you die or are legally declared bankrupt, your rights and duties will be transferred to your legal representative but only while acting within the scope of duties as your legal representative. However, notice of cancellation sent to the first **Named Insured** designated in Item 1 of the Declarations and mailed to the address shown in this policy will be sufficient notice to effect cancellation of this policy.

P. When Loss Is Payable

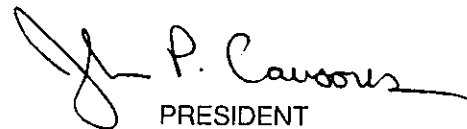

Coverage under this policy will not apply unless and until the **Insured** or the **Insured's** underlying insurer is obligated to pay the Retained Limit.

When the amount of loss has finally been determined, we will promptly pay on behalf of the **Insured** the amount of loss falling within the terms of this policy.

You shall promptly reimburse us for any amount within the Self Insured Retention paid by us on behalf of an **Insured**.

In Witness Whereof, we have caused this policy to be executed and attested, but this policy shall not be valid unless countersigned by one of our duly authorized representatives, where required by law.

NAMED PERIL AND TIME ELEMENT POLLUTION ENDORSEMENT
(Defense Expenses Outside S.I.R.)

Exclusion M. of this policy is hereby deleted in its entirety and replaced by the following:

This insurance does not apply to:

1. **Bodily Injury, Property Damage or Personal Injury** arising out of the actual or threatened discharge, dispersal, seepage, migration, release or escape of pollutants anywhere in the world;
2. Any loss, cost or expense arising out of any governmental direction or request that we, the **Insured** or any other person or organization test for, monitor, clean-up, remove, contain, treat, detoxify, neutralize or assess the effects of pollutants; or
3. Any loss, cost or expense, including but not limited to costs of investigation or attorneys' fees, incurred by a governmental unit or any other person or organization to test for, monitor, clean-up, remove, contain, treat, detoxify or neutralize pollutants.

As used in this exclusion, pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste material. Waste material includes materials which are intended to be or have been recycled, reconditioned or reclaimed.

However, this exclusion does not apply to **Bodily Injury, Property Damage or Personal Injury** arising out of:

1. Any discharge, dispersal, seepage, migration, release or escape directly or indirectly caused by fire, explosion, lightning, windstorm, vandalism or malicious mischief, riot and civil commotion, flood, earthquake, collision or upset of a motor vehicle, mobile equipment or aircraft, automatic sprinkler leakage;
2. The **Products - Completed Operations Hazard**; or
3. Any discharge, dispersal, seepage, migration, release or escape of pollutants that meets all of the following conditions:
 - a. It was accidental and neither expected nor intended by the **Named Insured**. This condition would not serve to deny coverage for a specific incident where such discharge, dispersal, seepage, migration, release or escape of pollutants was a result of an attempt by the **Insured** to mitigate or avoid a situation where substantial third party **Bodily Injury, Property Damage or Personal Injury** could occur; and
 - b. It was demonstrable as having commenced on a specific date during the term of this policy; and
 - c. Its commencement became known to the **Named Insured** within seven (7) calendar days and was further reported to the Risk Management Department within a reasonable time frame; and
 - d. Its commencement was reported in writing to us within twenty-one (21) calendar days of becoming known to the Risk Management Department; and
 - e. Reasonable effort was expended by the **Named Insured** to terminate the situation as soon as conditions permitted.

However, nothing contained in this provision 3. shall operate to provide any coverage with respect to:

- a. Any site or location principally used by the **Insured**, or by others on the **Insured's** behalf, for the handling, storage, disposal, dumping, processing or treatment of waste material;
- b. Any fines or penalties;

NOTICE: THESE POLICY FORMS AND THE APPLICABLE RATES ARE EXEMPT FROM THE FILING REQUIREMENT OF THE NEW YORK INSURANCE LAW. HOWEVER, IF ANY SUCH FORMS AND RATES DO NOT MEET THE MINIMUM STANDARDS OF THE NEW YORK INSURANCE DEPARTMENT.

- c. Any clean up costs ordered by the Superfund Program, or any federal, state or local governmental authority. However, this specific exclusion c. shall not serve to deny coverage for third party clean up costs otherwise covered by this endorsement simply because of the involvement of a governmental authority;
- d. Acid rain;
- e. Clean up, removal, containment, treatment, detoxification or neutralization of pollutants situated on premises the **Insured** owns, rents or occupies at the time of the actual discharge, dispersal, seepage, migration, release or escape of said pollutants; or
- f. Water pollution caused by oil or its derivatives.

It is further agreed that solely as respects any coverage granted by this endorsement:

1. The Self Insured Retention in Item 3. D. of the Declarations is amended to **\$1,000,000;**
2. The Self Insured Retention shall not include "Defense Expenses."
"Defense Expenses" means a payment allocated to a specific loss, claim or **suit** for its investigation, settlement or defense, including but not limited to:
 - a. attorneys' fees and all other investigation, loss adjustment and litigation expenses;
 - b. premiums on bonds to release attachments;
 - c. premiums on appeal bonds required by law to appeal any claim or **suit**;
 - d. costs taxed against the **Insured** in any claim or **suit**;
 - e. pre-judgment interest awarded against the **Insured**;
 - f. interest that accrues after entry of judgment;
3. In Section II, Defense, provision A. 2. is hereby deleted in its entirety; and
4. We will not be obligated to assume charge of the investigation, settlement or defense of any claim made, **suit** brought or proceeding instituted against the **Insured**. We will, however, have the right and shall be given the opportunity to participate in the defense and trial of any claims, **suits** or proceedings relative to any **Occurrence** which, in our opinion, may create liability on our part under the terms of this policy. If we exercise such right, we will do so at our own expense.

It is further agreed that in the event of a disagreement as to the interpretation of this endorsement, the disagreement shall be submitted to binding arbitration before a panel of three (3) arbitrators. Within thirty (30) days of a written request for arbitration by either you or us, each party will choose an arbitrator. If the two arbitrators are unable to agree within one month upon the third arbitrator, such arbitrator shall at the request of either party be selected by the American Arbitration Association in accordance with its rules and procedures.

The parties shall submit their cases to the panel by written and oral evidence at a hearing time and place selected by the third arbitrator. The panel shall be relieved of all judicial formality, shall not be obligated to adhere to the strict rules of law or of evidence, shall seek to enforce the intent of the parties hereto and may refer to, but are not limited to, relevant legal principles. The decision of at least two (2) of the three (3) panel members shall be binding and final and not subject to appeal except for grounds of fraud and gross misconduct by the arbitrators. The award will be issued within thirty (30) days of the close of the hearings. Each party shall bear the expenses of its designated arbitrator and shall jointly and equally share with the other the expense of the third arbitrator and of the arbitration.

The arbitration proceedings shall take place in or in the vicinity of New York, N.Y. The procedural rules applicable to this arbitration shall, except as provided otherwise herein, be in accordance with the Commercial Arbitration Rules of the American Arbitration Association.

All other terms and conditions of this policy remain unchanged.

 - 2) notice of cancellation on this ground shall be provided simultaneously by us to the department; and
 - 3) upon your written request made to the department within ten days from your receipt of notice of cancellation on this ground, the department shall undertake a review of the ground for cancellation to determine whether or not we have satisfied the criteria for cancellation specified in this subparagraph; if after such review the department finds no sufficient cause for cancellation on this ground, the notice of cancellation on this ground shall be deemed null and void.

Our notice of cancellation shall specify the grounds for cancellation.

- 4. The policy period will end on the day and hour stated in the cancellation notice.

Final premium will not be less than the short rate share of the Minimum Premium as shown in Item 4 of the Declarations.
- 7. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you.
